

## Year 3 Summer Term part 2 *Light and Shadows Plants, Animals & Us*

As **readers** we will be exploring a range of texts including 'The Secret Of Black Rock' by Joe Todd Stanton and a selection of poetry.  
As **writers** we will be looking to write adventure stories and poems using a wide range of descriptive skills and techniques.

In **RE** we will be looking at how Christians belong to their faith family.

In **PSHE** we will be learning about how babies grow and how bodies change to make babies. We will also be learning about different roles in different families.

In **PE** we will be looking at athletics and preparing our skills for sports day. We will also be learning how to play Rounders, Cricket and Tennis.

As Scientists we will be studying two topics: Light and Shadow and Plants, Animals and Us. In these topics we will be learning:  
How light travels,  
How shadows are made and how they change,  
How to protect ourselves from the sun.  
The key features of a plant and their functions  
Growing conditions of plants  
The life cycle of flowering plants  
How humans and animals require nutrition  
How animals and humans have skeletons and muscles for support.

In **Music** 3S and 3I will be learning to sing playground songs. We will compose our own playground song.  
3B will be continuing to learn how to play the saxophone, including tunes using the notes B, A and G.

As **mathematicians** we will be covering key objectives from the National Curriculum including:  
Telling the time and solving time problems.  
Recognising, identifying features of and drawing 2 and 3D shapes  
Reading and drawing pictograms and bar graphs.  
Handling and collecting data.

As **artists** we will be looking at drawing different aspects of nature including plants and animals, using a range of techniques and mediums.

As **Computer Scientists** we will be learning how to make a branching adventure story using Powerpoint.

In **French** we will be learning about family members, household items, food vocabulary and the numbers 21-31.

This curriculum map is correct at time of going to print but is subject to change. If you have any questions about our curriculum, please speak to your child's class teacher.
